

Inland Empire AAHAM Corporate Partner Opportunities

Throughout the year, the Inland Empire chapter of AAHAM offers its members and guests a range of educational and networking activities, which are made possible in part by the generous support of our Corporate Partners.

In order to continue our fine educational programs, we have created a package of partnership levels. We hope you will consider being a partner of Inland Empire AAHAM. Your participation will provide your business with exposure to key decision makers in many healthcare facilities and related industries in Eastern Washington and North Idaho.

We currently have three levels of Corporate Partners:

Gold \$1500+ - As a **Gold Partner** your company will enjoy the following benefits:

- Four free registrations to chapter meetings
- Listing on the chapter web site
- Listing on “Sponsor Thank You PowerPoint” shown throughout chapter meetings
- Table at each chapter meeting to display business materials.

Silver \$1000+ - As a **Silver Partner** your company will enjoy the following benefits:

- Three free registrations to chapter meetings
